

At Medco, we aim to serve as the front door of healthcare for our communities. We provide a comprehensive range of home health services and ensure the patient quality of life for all seniors. Integral to our service philosophy is compassion – that we should treat our patients the same way we would welcome guests into our home, but with the understanding that they should be treated with special empathy and thoughtfulness because many of them are not feeling well.

Mission

To provide and sustain the best home-based medicine so all Seniors can have access to care that improves their quality of life. We aim to lead a legacy of excellence and compassion by helping Seniors lead comfortable lives and achieve independence.
